Subject: Letter of Thanks

Dear sir,

We are very much thankful to you for your fruitful guidance about **Personality Development** in one day Faculty Development Programme. Your presentations remained fruitful to our teaching and non teaching faculty held on 10/02/ 2020. Really, our faculty and non teaching staff can be potential to live their skillful life. They can live their skillful life. They can change their attitude negative approach towards life in COVID Pandemic Situation. The faculty can be enlightened with your skillful guidance. So your training on Life Skill can change their mind set toward life.
